- Golfer Goody Bag
- Complimentary use of the range

Charity Details:

The Boost for our Heroes program is geared towards active duty, transitioning and veteran military members and their families with a specific focus to provide them with financial education, information and resources and in certain cases, financial assistance. Through a variety of workshops, outreach efforts and one-on-one consultations, our goal is to help our men and women of the Armed Forces become financially fit. Each quarter, an impartial panel of advisors will select one constituent of the program and award them with a $3,000 stipend due to existing and exhibited financial hardship.
